*Giving names to missing,  
unidentified people  
through teeth*

### 9<sup>th</sup> International conference of Indo-Pacific Academy of Forensic Odontology

9-11 June 2023, Kathmandu  
Nepal Series

ICRC

**Organized by:** Department of Oral  
Pathology & Forensic Odontology,  
Maharajgunj Medical Campus, Institute of  
Medicine, Kathmandu, Nepal

# INPAFO - 2023

*Giving names to missing, unidentified  
people through teeth*

Greetings Delegates.

It gives me great pleasure to be able to welcome international Medico-Legal Experts and Dental professionals to the 9<sup>th</sup> INPAFO conference to be held in Kathmandu, Nepal. This conference will provide a unique opportunity for academicians, professionals, students, the judiciary, law enforcement, and policymakers to learn from one another and collaborate toward a common goal.

Kathmandu is located in a bowl-shaped valley at an elevation of approximately 1,400 meters (4,600 feet) above sea level. It is the seat of the Nepalese Republic, which was established in 2008, as well as the headquarters of the South Asian Association for Regional Cooperation (SAARC).

Kathmandu is the historical, artistic, cultural, and economic center of Nepal, with a multi-ethnic population. Religious and cultural celebrations play an important role in people's lives. The city is home to seven world heritage sites: Hanuman Dhoka, Patan, and Bhaktapur Durbar Squares; Swayambhunath and Baudhanath Stupas; and Pashupatinath and Changu Narayan Temples.

Nepal is a popular destination for people all over the world, and June offers wonderful weather in paradise in Nepal. Looking forward to welcoming you in Nepal.

Prof. Dr. Harihar Wasti  
Organizing Chairperson

Dr. Samarika Dahal  
Organizing Secretary
